Selectmen's Report
1997

This was a year of transition and change. We lost two esteemed town officials and friends when Margaret Thistleand Pat Mitchell passed away. Also, two of our oldest and most respected citizens, Amy Townsend and Lillian Clement died this year. Our sincere condolences to all their family members.

The positions of Tax Collector and Town Clerk have been filled by very capable and hardworking individuals. Nancy Denton and Kathy Vestal bring to these offices exceptional backgrounds and the dedication to duty as did their predecessors. Much hard work and a significant investment of time was necessary to learn the intricacies of each job as well as convert old records to new data systems. We owe a debt of gratitude to Nancy and Kathy for their efforts on our behalf. We also appointed Cathy Lyford as Deputy Town Clerk and Rachel Spencer as Town Secretary and deputy tax Collector. We wish to acknowledge the outstanding work of Eliene Linde who retired as town secretary this year. We will miss her.

Finances remain in excellent shape. We ended the year with a modest surplus and the tax rate was level for the third year. Debt remains very low. This reflects the conservative approach to fiscal matters and the assistance of all the department heads. The budget recommended this year mirrors this approach. The municipal tax rate will remain the same. However, we anticipate an increase in taxes due to the School and County portion of the budget. The School portion is largely due to larger enrollments from Bridgewater.

Highway: The new truck arrived after extended delays by the manufacturer and is in service. We plan to pave the steep portion of John Smith Hill road this year. Dick Brown road reconstruction is completed after many weather related delays. We will seal that section this year. Hammond Hill paving was completed and new bridge rails were installed. We are revising some matters in this department to allow for more time grading and maintaining summer roads. By subcontracting some hauling of materials, we will be able to spend more time on the roads. Last year we spent 10 weeks hauling construction material for the Dick Brown Road reconstruction and winter sand. The added time will be used to repair culverts and smooth roads and other related tasks.

Police: We are pleased to hear positive citizen reactions to the present officers' service. We are presenting a budget that allows for creating a full-time position in this department. It will be discussed at town meeting.

Fire Department To all those who volunteer in this department, our sincere thanks and "hats off" to the fire auxiliary. The annual fund raising Flea Market was a decided success. The department still needs volunteers - any interested parties?

Buildings: We are proposing to pave the parking lot at the Town Library/Town Clerks office, re-roofing that building and removal of some large trees. A much needed item. We are completing the painting of the fire station. The River Road building will be scraped and painted as well as the fuel tanks we installed last fall.

Planning Board: They are recommending a new sign ordinance. We recommend your favorable vote on this matter. The present sign ordinance is inadequate and requires this update. This Board is becoming much more active and they are working on updating the master plan this year. This group is doing a great job for all of us. Thanks from all of us.

Conservation Commission: This group has also been very active. They are proposing a wetland study of the Town. It is essentially an inventory of areas to be cataloged. It will help us in long term planning. They also should be thanked for their work this year. Great Job!

Town House Update: The upgrades and repairs to the Town House are complete. A new granite patio was also installed. Thanks to Ken Forbes and Harvey Stewart and all others who helped on this project. An historical consultant will send an outline of future restoration. At that time, a committee will be developed to recommend future plans.

School: Last, but not least! At the last town meeting, a question was raised regarding a school in Town. Over the years, we have had similar requests. We have worked this past year on a plan to return a school to Town. During this time, a piece of land was donated to the Town on Rt3a for such a purpose. We also met with the Town of Hebron, Planning Boards, School Boards, and the Superintendent of Schools regarding this matter. We completed the initial ideas and all are in agreement. We should plan for a school funded by Bridgewater and Hebron. We had completed all of the discussions by the first of February and, much to our dismay, another Town notified us of their desire to change the present school cost apportionment from ADM (Average Daily Membership) to one using valuations. The net impact if this were to happen would cost the Towns of Bridgewater and Hebron an additional \$1,000,000.00 per year!!

Basically, it would almost DOUBLE THE TAX RATE IN BOTH TOWNS. The cost per student would increase from about \$6,000 to \$12,000. (Hebron would go to \$14,000) All others would decline to about \$5000/Student! (The cost to educate 150 students in Bridgewater and Hebron would be over \$2,000,000.per year)

Our proposal would secure for the Town the following:

- 1) Most students would remain closer to home.
- 2) Reduce time on the bus for students and reduced transportation costs
- 3) Greater local control
- 4) Create a better sense of Community
- 5) Resolve space problems
- 6) Long term ability to control costs while protecting the tax rate. Your tax rate would not be at the whim of financial issues facing other communities.
- 7) Increased parent involvement

This proposal would not increase costs to the other Towns. We would remain in the cooperative school district. This would avoid the expensive alternative of a large central elementary school which they would have to contribute. (est. at \$5,000,000)

We met with the other Town Officials, and they agreed to table, for the moment, this matter on the formula as they were not aware of our plans.

We will discuss this school matter in detail at our Town Meeting. IT IS VITAL THAT AS MANY AS POSSIBLE COME TO THE TOWN MEETING. This issue is not going to go away. It also has major impact on the future of other Towns. If we were to withdraw from the district, their costs will escalate beyond what they pay presently.

We will be prepared to present a plan that will invest in the future, protect our investments, remain in the school district and will have no major long term impact on the District or our taxpayers. While we thought we could approach this matter in a more leisurely manner, the events of last week, will force us to accelerate the time table. PLEASE COME TO GIVE US YOUR ADVICE ON THIS MATTER. LEARN ABOUT THIS ISSUE. We believe we can help the children and secure your future. Hope to see you on Tuesday, March 11, at 8pm.

TOWN WARRANT

STATE OF NEW HAMPSHIRE

TO THE INHABITANTS OF THE TOWN OF BRIDGEWATER IN THE COUNTY OF GRAFTON IN SAID STATE, QUALIFIED TO VOTE IN TOWN AFFAIRS: You are hereby notified to meet at the Town Hall in said Bridgewater on Tuesday, the Eleventh day of March, (1997) next at Twelve of the clock in the noon to act on the following subjects:

Polls to be opened from 12 Noon to 6:00 PM

Business meeting at 8:00 PM

1. To choose a Selectman for three (3) years and all other necessary town officials.
2. To see if the Town will vote to raise and appropriate the sum of \$508,269, which represents the operating budget. Said sum does not include those amounts sought in other warrant articles. (Majority vote required) Recommended by Selectmen
3. To see if the Town will vote to change the organizational structure for providing safety services by eliminating the position of part-time police chief and establishing the new position of full time police chief with the condition that the person for that new position will be required to be also qualified as a fire fighter (minimum - Certified Fire Fighter, level one.) so that he/she may assist in fire fighting. (Recommended by the Selectmen)
4. To see if the Town will vote to prohibit the processing, storage, storage and landspreading of wastewater treatment sludge/biosolids, including, but not limited to, sewage, paper and pulp mill sludge, whether it be wet, dry, composted, pelletized, mixed with other materials, or injected on or into the land in the Town of Bridgewater until regulations are enacted by the Selectmen and/or the Planning Board with public involvement to control such activity. (Recommended by Selectmen)
5. To see if the Town will vote to authorize the Selectmen to accept a gift of real estate consisting of 13.64 acres on Rt 3A, being Lot 12A on a Plan filed in Grafton County Registry of Deeds in Book 8359, subject to the restrictions that the land be used for a park, recreation area or public school and the land remain in title to Bridgewater or to an entity consisting of Bridgewater and Hebron for the sole purpose of a school. (Recommended by the Selectmen)
6. To see if the town will vote to establish a planning committee consisting of 3 persons from Bridgewater and 3 persons from Hebron for the purpose of establishing a school district, the building of a school building and the preparation of the necessary agreements for the district and the building and the acceptance of a gift of land from the Town of Bridgewater (Recommended by the Selectmen)

7. To see if the Town, having a Master Plan adopted by the Planning Board on July, 1981 and amended on October, 1989 will vote to authorize a municipal capital program projected over the next six years. The sole purpose and effect of this capital program shall be to aid the Board of Selectmen in their consideration of the annual budget all pursuant to RSA 674:5 (Recommended by Selectmen)
8. To see if the Town will vote to appropriate \$10,000 for capital improvements and repairs to Town buildings and property; this amount to be funded by the transfer of \$6000 from the December 31, 1996 unexpended fund balance, and the balance to be raised by taxation. (Recommended by Selectmen)
9. To see if the Town will vote to raise and appropriate \$7,100 for the purpose of conducting a wetland survey under the auspices of the Conservation Commission; This amount is to be funded by the transfer of \$ 5859 from the conservation commission fund and the balance to be raised by general taxation. (Recommended by the Selectmen.)
10. To see if the Town will vote to modify the elderly exemptions from the property tax, based on assessed value, for qualified taxpayers, to be as follows; for a person 65 years of age up to 75 years, \$10,000; For a person 75 years of age up to 80 years, \$15,000; for a person 80 years of age or older, \$20,000. To qualify, a person must have been a New Hampshire resident for five years, own the real estate individually or jointly, or if the real estate is owned by the person's spouse, they must have been married for at least five years. In addition, the taxpayer must have a net income of not more than \$18,500 or, if married, a combined net income of less than \$25,500; and own net assets of not in excess of \$35,000 excluding the value of the person's residence. (Ballot Vote; Majority) (Recommended by the Selectmen)
11. To see if the Town will vote to adopt the provisions of RSA 202-A:4-d authorizing the Library Trustees to accept gifts of personal property, other than money, which may be offered to the library for any public purpose, provided, that no acceptance of these gifts shall be deemed to bind the trustees to raise , appropriate or expend any public funds for the operation, maintenance, repair, or replacement of such personal property. This authorization to remain in effect until rescinded by a vote of the Town Meeting. (Recommended by Selectmen)
12. To see if the town will confirm acceptance of the following roads: Alpine Rd.: Meadowbrook Rd. from Rt 3a to the intersection of Ledgewood Terrace; Ledgewood Terrace; Rockledge Terrace; Kingswood Lane. (Recommended by the Selectmen)

13. To see if the town will vote to authorize the Selectmen to post Dick Brown Road "no thru trucking".
14. Resolution: Whereas the Town of Bridgewater has suffered the loss of two individuals, faithful town officials for over 30 years, in the persons of Patricia Mitchell and Margaret Thistle, and whereas these people never knew how they were esteemed and whereas the Town of Bridgewater is poorer for their having past, be it hereby resolved that this notice of the Town's grief be spread upon the Town's records for future generations may know our sorrow and regrets at their passing.
15. To transact any other business that may legally come before the meeting.

Given under our hand and seals, this Twenty Fourth day of February in the year of our Lord nineteen hundred ninety seven.

REPORTABLE CONDITIONS AND OTHER MATTERS*

To the Members of the
Board of Selectmen
Town of Bridgewater
Bridgewater, New Hampshire

In planning and performing our audit of the Town of Bridgewater for the year ended December 31, 1996, we considered the Town's internal control structure in order to determine the scope of our auditing procedures for the purpose of expressing our opinion on the financial statements. Our review of these systems was not intended to provide assurance on the internal control structure and should not be relied on for that purpose.

Under the standards established by the American Institute of Certified Public Accountants, reportable conditions involve matters coming to our attention relating to significant deficiencies in the design or operation of the internal control structure that, in our judgment, could adversely affect the Town's ability to record, process, summarize, and report financial data consistent with the assertions of management in the financial statements. A material weakness is a reportable condition in which the design or operation of one or more of the internal control structure elements does not reduce to a relatively low level the risk that errors or irregularities, in amounts that would be material in relation to the financial statements being audited, may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. Our consideration of the internal control structure would not necessarily disclose all matters in the internal control structure that might constitute reportable conditions and, accordingly, would not necessarily disclose all reportable conditions that are also considered to be material weaknesses as defined above.

We are pleased to report that, during the course of our review of internal controls, no material weaknesses in the Town's accounting systems and records were identified. Minor weaknesses or other considerations coming to our attention were generally procedural in nature and dealt with administrative or recordkeeping practices. In these instances, we made specific recommendations or provided instruction to those individuals involved during the course of our audit fieldwork.

This report is intended solely for the information and use of management and others within the administration. This restriction is not intended to limit distribution of this report, which is a matter of public record.

Police Department

The Bridgewater Police Department has been busier this year more so than any other so far. Many new and exciting upgrades have taken place this year. To start with, The Police Department has upgraded it's record keeping procedures and reporting features with a new database system designed by one of our own officers. The system is working great and is efficient for the Department.

The Departments continuous increase in calls for service prompted us to assist you better this year by instituting an "on call" program. This program makes officers available for you on a frequent basis, and requires less assistance from the State Police or County Sheriff's Office. Our goal is to better the assistance and to increase the availability of our officers to your needs and emergencies. This "on-call" system is working out to be the best way for us to provide you with the assistance you need in times of crisis.

We have added an answering machine in the office on a trial basis. When you call in, it will advise if it is an emergency, to hang up and dial 911. If it is not an emergency, you can leave a message. The On call officer will return your call. The on-call officers check the answering machine several times a day to ensure your call is returned promptly. We hope this assists you better, and expedites your need for assistance.

The Department wishes to thank those who have generously supported us this past year. With all of the new changes taking place in the department to better your service, it was great to hear your positive input from those who needed to call upon us in those moments of need. From all of us at the Department, we hope you have a safe and healthy year ahead!

Chief Gickas, Officer Harding, Officer Hunt, Officer Hill, Officer Jacques

Fire Department

The Bridgewater Fire Brigade experienced an average year in 1996 with 46 responses to emergencies of all kinds. Efforts continued to increase the size of the roster of the department and we did welcome two new members during the year. This pleased me greatly since I had set a goal of adding two members every year to provide for adequate coverage and offset any attrition. As I indicated last year, I still consider this to be my prime concern due to the fact that we have very limited coverage during particular times of the day. If anyone were interested in finding out more about the department, or would be interested in joining us, I would invite them to visit the station on Monday evenings from 7:00 to 8:00 PM.

In looking forward to 1997 I would ask that you all practice fire safety in the home. Be sure that you have working smoke detectors throughout your house, plan and practice evacuation drills from you home (particularly if you have children) and be sure that your woodstoves and chimneys are safe before operation. If you have any questions on any fire safety matter, please contact us. Thank you.

Newfound Area Nursing Association

NANA is beginning its thirty seventh year of dedicated service to the residents of this community. The professionalism of our staff is unmatched and of the highest quality. The personal attention they bring to the care of our clients and the responsiveness to the physicians and families has always been a top priority at NANA.

How to retain this excellence in the current environment that exists in health care presently is a challenge. We must position the organization to thrive in the future while better serving the people in our community.

During 1996, we purchased new computers and updated our information system to achieve efficiencies and collect more accurate, timely data. We also acquired an outcome documentation product which will measure our effectiveness more precisely.

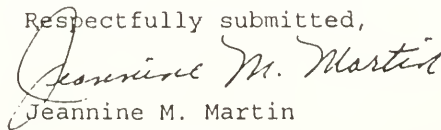

The following is a summary of services provided to Bridgewater residents at home:

Skilled Nursing visits	518
Physical Therapy visits	99
Supervisory visits	49
Home Health Aide visits	1761
Homemaker visits	343

In addition to the home visits, many have received services in our Well Child Clinic, Immunization Program and assistance from our Medical Social Worker.

Healthcare economy is a must for all providers. We are cutting costs by increasing productivity. We must continue to be poised for change while remaining true to our mission and commitment to the Newfound Area.

Board of Selectmen
Town of Bridgewater
297 Mayhew Turnpike
Bridgewater, N.H. 03222

Dear Selectmen,

Plymouth Regional Clinic is requesting that area towns appropriate funds to the clinic in their FY 1997-98 budgets.

The Plymouth Regional Clinic is a nonprofit, all-volunteer organization providing general medical care to area residents who have limited incomes and no health insurance. The clinic has been open one evening a week since July 1994 and has provided care for almost 600 patient visits.

We have seen patients of all ages and for varying medical complaints, from minor ailments to life-threatening illness, with many seeking treatment for illnesses or conditions which have gone unattended because the patient could not afford medical care. Our volunteer social workers have assisted many patients in identifying other available services which might help them. The enclosed brochure provides more information on our services and eligibility requirements.

Please note that in July of this year, the clinic moved to the offices of Family Planning at the Whole Village Family Resource Center on Highland Street and changed its evening of operation to Tuesdays.

Plymouth Regional Clinic has managed to keep its operating expenses low through the generous donation of in-kind services and space by Family Planning, Plymouth State College, Speare Memorial Hospital and area businesses; as well as the volunteer services provided by area physicians, nurse practitioners, nurses, social workers and others. As in the past, the clinic is seeking funds for three main purposes, among others: to cover operating expenses such as insurance, medical and office supplies, and licensing fees; to hire a part-time administrator to ensure the clinic's effective ongoing operation; and to create a fund to allow the clinic to pay for patient prescriptions--one of the highest medical costs many patients face.

In order to raise the necessary funds, Plymouth Regional Clinic will solicit donations from area individuals and

businesses, and will be applying for grant money. In addition, the clinic is requesting that area towns place in their 1997 budgets (for Fiscal Year 1998) an appropriation of \$1,000 dollars, or any portion of this which the town feels is appropriate. It is hoped that the towns will realize some savings in the medical account of their welfare budgets due to the availability of the clinic's services.

If you have questions not addressed in the enclosed brochure or would like more information, please feel free to call the Clinic Administrator, Eileen Towne, at 536-4467.

We hope the towns will support our efforts to meet the medical needs of community members who cannot afford health care. Thank you for your consideration.

Sincerely,

A handwritten signature in dark ink, appearing to read "Vincent Scalese". The signature is fluid and cursive, with the first name "Vincent" and last name "Scalese" clearly distinguishable.

BRISTOL COMMUNITY CENTER
REPORT TO THE TOWN OF BRIDGEWATER
1996

1996 has been a very busy and exciting year at the BCC with some great improvements and one big loss. This year we have finally become handicap accessible through the help and generosity of many local people and organizations. It required a lot of hard work and dedication from two people especially. Beth Mitchell, who successfully wrote and received a grant from the Fleet Youth All Stars for \$10,000.00 towards the project, and Melva Day who beat the bushes for donations of much needed labor and machinery. Others that we would like to thank are Brackley Shaw, Ken Braley & Sons, Weaver Brothers Construction Co., Haney Concrete Co., Carroll Concrete, Bomar Construction, Pike Industries, the Towns of Bristol, Bridgewater and Alexandria, RP Williams & Sons, John & Melva Day, Doug Williams & Family, Ray Bliss & Family, Pat Moyer, Bristol EMS Explorer Post #41, Boy Scout Troop 59, Bristol Nursery School, Newfound School Summer Program, Dan MacLaughlin, William Simpson & Sons, Walker Farm Picket Fence Day Care Center, Ruth Wells, Hebron Kindergarten and many Area Youth .

Our big loss this year is the loss of Beth Mitchell as Director of the Bristol Community Center. Beth has taken the position of Program Coordinator at Gunstock Recreation Area. This was not an easy decision for her and one made with her family being foremost in her mind. It is with great regret that we say good bye to Beth as she has done so much for the BCC and community in her nine years here. Leslie Dion has been named as the new BCC Director.

Bridgewater residents participated in all programs at the BCC which included Aerobics, Archery, Baseball, Basketball, Dances, Teen Open House, Karate, Open House, Senior League Baseball & Softball, Umpire Clinics, Badminton, Boy Scouts, Girl Scouts, Moms & Tots Tot Time, SHARE, Swimming Lessons, Arts In Motion, Volleyball, Art Classes, Basket Making Classes, Adult Basketball, Summer Camps, Ghost Walk, Haunted Hike, Soccer, Walking Club, Wrestling, Line Dance Classes and much, much more.

We would like to thank all Bridgewater residents who participated in the programs and special events. A special thanks goes to the Newfound School District and school principals for opening their doors to us and our ever growing programs. We would not be able to offer these without their support. Also our thanks to Freudenberg NOK for their continued generosity to the BCC and RP Williams for all they do throughout the year.

We especially need to thank the many volunteers that donate their time and energy here at the BCC each year. Whether it is coaching a team, chaperoning a dance, baking for our many fund raisers or volunteering wherever needed we could not possibly do what we do without you. The list is too numerous to mention but you know who you are and we thank you.

The BCC has just ended it's 50th year. We are excited at the prospect of the next 50 serving the youth and adults of the Newfound Region.

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST
RANGER

To aid your Forest Fire Warden, Fire Department and State Forest Ranger, contact your local Warden or Fire Department to find out if a permit is required before doing any open burning. Violations of RSA 227-L:17, the fire permit law and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$2,000 and/or a year in jail. Violators are also liable for all fire suppression costs.

There are ten Forest Rangers who work for the N.H. Division of Forests and Lands, Forest Protection Bureau. State Forest Rangers are available to assist communities with forest fire suppression, prevention and training programs as well as the enforcement of forest fire and timber harvest laws. If you have any questions regarding forest fire or timber harvest laws please call our office at 271-2217.

The State of New Hampshire operates 15 fire towers, 2 mobile patrols and 3 contract aircraft patrols. This early detection and reports from citizens aid in the quick response from local fire departments.

GRAFTON COUNTY SENIOR CITIZENS COUNCIL, INC.
ANNUAL REPORT 1996

Grafton County Senior Citizens Council, Inc. works through its local programs to enhance the health and well being of our older citizens and to assist them to remain independent in their own homes and communities for as long as possible. Through eight locations throughout the County, including Plymouth, Bristol, Canaan, Lebanon, Orford, Haverhill, Littleton and Lincoln, older adults and their families are able to obtain services such as home delivered meals, senior dining room programs, transportation, social work services, information and referral, health and educational programs, adult day care, recreation and opportunities to be of service to the community through volunteering.

During 1996, 51 older residents of Bridgewater were able to make use of one or more of GCSCC's services. These individuals enjoyed balanced meals in the company of friends in a senior dining room, received hot, nourishing meals delivered to their homes by caring volunteers, were transported to health care providers or other community resources by our lift-equipped buses, and found opportunities to put their talents and skills to work for a better community through volunteer service. The cost to provide these services for Bridgewater residents was \$6,502.69.

Community based services provided by GCSCC and its many volunteers for older residents of Bridgewater were often important to their efforts to remain in their own homes and out of institutional care despite chronic health problems and increasing physical frailty, saving tax dollars and contributing to the quality of life of our older friends and neighbors.

GCSCC very much appreciates the support of the Bridgewater community for services which enhance the independence and dignity of our older citizens and assists them to meet the challenges of aging in place.

BRIDGEWATER CONSERVATION COMMISSION

The members of the Conservation Commission believe that they should meet and work when there is business to be done. Being somewhat inactive during 1996, they did meet regularly during the summer. Since the lake was to be drawn down earlier than usual, there were a number of shorefront owners who sought Wetlands Permits. Altogether seven applications were received and approved. One project of dumping beach sand was halted because a permit had not been issued. Complying with the Wetland regulations and the Shorefront Protection Act are important to maintain the health of the Pemmi and the Lake

In addition to these routine items, discussions were held concerning a community Wetlands Inventory. Although contributing to the natural beauty of the area, wetlands are far more important in the purifying of water resources, controlling flooding and erosion, and contributing to a healthy ecological environment. They are a valuable resource to both the community and the landowner. Identifying and classifying these will benefit the wise development of Bridgewater. We welcome any and all who want to get involved.
